Why AMG?

The purpose of the Alliance of Massachusetts Genealogists (AMG) is to bring together individuals and organizations that are interested in genealogy and history. Within the scope of educational services that AMG will provide to members and guests are the following:

- Monthly educational lectures at our home facility and remote sites
- Research assistance online and at our home facility
- Research projects for hire
- Webinars and podcasts
- Genealogical data projects (funeral home, cemetery and private file collections, etc.)
- A place to work with fellow hobbyist and professional genealogists to conquer your own brick walls.
- A place to learn and grow in your skills and love of genealogy and history.

AMG through its members will be able to offer the following technological services for a fee:

- 8mm video conversion to DVD and MP4
- VHS video conversion to DVD and MP4
- DVD video conversion to MP4
- Document and image scanning to PDF, JPG, TIF and other formats
- Photo restoration
- LP conversion to MP3 and audio CD
- Audio cassette conversion to MP3

Our Home

The Alliance of Massachusetts Genealogists share a home with the Friends of Irish Research in Brockton, MA.

AMG & FIR offer a state-of-the-art research center that provides multiple Internet connected workstations, multiple printer options, multiple scanners and a full media conversion center. There is a newly built training & research lab that included a projection system and a microfilm reader/scanner.

Our digital library hosted on our server contains over 5000 volumes. Our physical library includes 41 years of the New York Times, 21 years of the Boston Globe, and census microfilms for Bristol Plymouth & Norfolk counties. Our book collection is growing rapidly with many genealogical, historical and cultural books in the newly opened David Allen Lambert Library.

We provide access in the research center to the most popular research subscription.

Membership

Join the Alliance Today

Special \$25.00 Membership Offer

Join in 2019 and your membership includes the rest of 2019 and all of 2020.
